## **Turkana, Kenya May 30th - June 12th 2024**

Crossroads is sending a team to Turkana, Kenya. The team will partner with local ministries to show Christ's love tangibly by providing clean water and irrigation systems to the Turkana people and learning about and helping with various farming techniques.

The team will work in rural areas, learn the culture, experience local ministries, and assist in various farming activities.

While the trip will be challenging and rewarding, each team member has been asked to raise approximately \$3,500. Our team appreciates your prayers and support as we prepare together.

## **Mexico Missions Trip Nov 7th -11th, 2024.**

For over 30 years, Crossroads has partnered with Pastor Carlos Bravo and the people of Templo Sinai Church in San Luis Rio Colorado, Mexico.

We send a team down twice a year and it's a perfect base camp for adults and youth to grow a love for missions.

The many years of ministry in this community have served to grow our hearts for The Bravos, but also to increase their hearts for us.

This trip shows a unique culture that will help teach sacrificial service and how to understand the power of hospitality and Christ's love.

Registration begins July 1st, 2024
