## FALL 2017 HOST COVENANT

We thank God for you stepping up to HOST a Growth Group.

As a HOST you will be representing Jesus and the church to your Growth Group. As a result, we ask that you enter into this agreement by making the following commitments:

**Grow.** I am committed to grow in my personal relationship with God and my relationships with God's people.

**Pray.** I am committed to pray for my group. I will show Jesus' love by praying for them and provide care for each of them.

**Lead.** I am committed to leading my group well. I will make attending the growth group a great experience through inviting people, preparing well, welcoming each person, communicating thoroughly, and beginning and ending on time.

**Be.** I am committed to be a team player. I am not alone and have support. I am fully on board with representing Jesus and Crossroads and following the leadership of the staff team.

## **FPU NON-SOLICITATION POLICY**

Crossroads wants Financial Peace University to be a safe place for everyone to learn God's view of finances, to grow in their personal stewardship and to achieve financial freedom. To help make this possible, we want to do everything we can to make sure that no one in class is solicited for any business, including any products or services related to finances.

We appreciate that you will not solicit anyone in a Financial Peace University group at Crossroads. This doesn't mean that you can't answer questions or make recommendations when asked; if you are knowledgeable and have experience that could help those in the group. However, it does mean that you will not approach people or suggest that they purchase your service or product. Our goal is to make this a safe place for everyone to learn, connect in community and grow closer to God.

We ask that you do not solicit any Financial Peace University group member for your business. We all want this to be a safe place for all of our church family to come learn and appreciate your help in making it such, personally and for the entire group. If any group member tells you they have been approached, please inform your Room Coordinator or Growth Group Director.

As a Financial Peace University Facilitator and Leader at Crossroads, I agree not to approach people in these groups to solicit business, including any products or services related to finances.
