ABOUT NIGHT TO SHINE

The Tim Tebow Foundation has a great passion for people with special needs, and in 2014 we launched Night to Shine with a simple vision... work with churches around the country to provide an incredible prom night experience, centered on God's love, for people with special needs.

God's vision was bigger... In just four short years, Night to Shine, through hundreds of churches and thousands of volunteers, has become a worldwide movement that is changing Valentine's Day from simply a celebration of love, to a celebration of God's love by honoring people with special needs and the value of life. It's a night not only for our guests to shine, but for churches to shine, for volunteers to shine, and most importantly, for Christ to shine.

Every guest of Night to Shine enters this complimentary event on a red carpet complete with a warm welcome from a friendly crowd and paparazzi. Once inside, guests receive the royal treatment, including hair and makeup stations, shoe shining stations, limousine rides, corsages and boutonnieres, a karaoke room, a catered dinner, prom favors for each honored guest, a Respite Room for parents and caretakers, and, of course, dancing! The highlight of the night comes when every one of the Night to Shine guests is crowned a king or queen of the prom!

Through God's blessing and your involvement, Night to Shine 2019 will be even bigger and better! We have prayerfully selected churches from around the United States, and the world, to be the hosts, organizers and volunteers of this special event, and Crossroads Grace church is one of them!
