# “Going forward”

Outreach has become

- molecular
- smaller
- and individualized - to involve you.

**Evangelism** is our basic responsibility as a believer. It's not so much belonging to a church that does it, but using our own relationships and proximity. Who lives near you? Do you know their names? Do you engage them in conversation? How are you praying for them? Inviting them to online services is a great step, and engaging them personally is your calling as their neighbor. Consider [BlessEveryHome.com](http://BlessEveryHome.com) as amazing tool for you.

**Local Outreach** is what we do in different ways to engage the needs of our community. There are many ways to participate in meeting needs, spoken or perceived. Local ministries of Pregnancy Help Center of Manteca, Love INC (Love In the Name of Christ) and Hope Shelter Ministries are all open to your participation to help them succeed. Second Harvest Food Bank has 4-5 shifts a week for easy volunteerism, and the quantity of food that resources families and food pantries is immense. [LoveOurNeighbors.org](http://LoveOurNeighbors.org) is an easy path to meet needs personally.

**Global Missions** continues during the pandemic, and each of our ministry partners are sharing how Jesus is being talked about, more and more, as the hope of the world. As people look for strength, peace, and protection, the Gospel is being proclaimed. Use the prayer calendar daily ([crossroadsgrace.org/prayercalendar](http://crossroadsgrace.org/prayercalendar)) as a tool that focuses our efforts in prayer. This is a great way to connect with the missionaries we support as they are helping *lead people to discover Jesus, and follow Him fully.*
