# Hope

**Hope is a biblical understanding of certainty, trust, motivation, of inspiration.**

**The condition of the human soul impacts perspective, worldview, and security.**

**Ministry opens doors to address the condition and situations people face, from childhood and into old age. Notice how different ministries affect age strata to speak to their souls - which Jesus created, and created with a longing to reestablish with that person's life.**

**Local ministries instill hope in the community values of a peaceful and united home life.**

**Sport instills hope to enjoy the fleeting years of childhood and adolescence.**

**Mission instills hope in friendships and partnerships of different cultures.**

**Shelters instill hope among those without roofs.**

**Hope is something that believers offer to others, even in prayer, from a distance.**

**The church is the hope of the world, and Jesus offers hope.**

**Pray daily with us.**
