Feed The Children May 19th, 2024.

Crossroads Grace is partnering with Kids Against Hunger. A leading non-profit organization delivering food and other critical resources to children and families. Our mission is to provide hope and resources for those without life's essentials. Last year our goal was to feed 5,000 children. We exceeded that goal and as church together we made enough food in one day to feed almost 43,000 children!

We are hoping to reach the goal of 43,000 meals again and praying to exceed even this great number of meals for the children.
